## **Proposed Variation No.3 Castlebar Town & Environs Development Plan 2008-2014**

### **The Proposed Variation**

Castlebar Town Council & Mayo County Council proposes to vary Map 1 of the Castlebar Town & Environs Development Plan 2008-2014 to reroute the proposed road corridor east of Castlebar Town (the N5 Castlebar to Bohola Road Project) in the townlands of **Aghadrinagh, Lisnageeha or Antigua, Lisnakirka or Milebush, Balloor, Lightford, Shanvally, Drumaleheen, Kilkenny, Doogary (ED Breaghwy), Liscromwell & Aghalusky.**

The proposed road corridor and lands that it is proposed to rezone to facilitate the rerouting are indicated on the two maps attached:

- Map V3-01 shows the existing Proposed Road Corridors as shown in the Castlebar Town & Environs Development Plan 2008-2014 and the proposed amendment to the proposed Road Corridor.
- Map V3-02 shows the consequential zoning changes that are required to facilitate the proposed amended road corridor.

Please note that the remainder of the lands zoned for development in the Castlebar Town & Environs Development Plan 2008-2014 (as previously varied) will remain the same.

### **Submission Information**

If you wish to make a written submission which refers to a particular piece of land please include a legible map marking the land you are referring on the map (e.g. outline the land clearly in red) and indicate in writing on the map the townland the land is located in.
