Celebrating Creativity in Older Age

Ag Ceiliúradh na Cruthaitheachta sa Seanaois

Fáilte chuig Bealtaine 2009. Is í seo an ceathrú bliain déag de Bhealtaine, an fhéile náisiúnta a cheiliúrann an chruthaitheacht i ndaoine aosta – é comhordanáidithe go náisiúnta ag Age and Opportunity (áisínteacht a bunaíodh le tabhairt faoi dhearcadh diúltach i leith na seanaoise agus le cur chun cinn ról níos leithne ag seanóirí sa phobal). Is é atá mar aidhm ag Bealtaine ná cur le hionchur sheandaoine sna healaíona trí léiriú mothúcháin agus trí pháirt ghníomhach a ghlacadh. Meallann Bealtaine seandaoine le bheith ina lucht féachana/éisteachta eolasach ag foirmeacha uile na healaíne.

Celebrating creativity in older age

Welcome to Bealtaine 2009. This is the fourteenth year of Bealtaine, the national festival which celebrates creativity in older age – co-ordinated nationally by Age and Opportunity (an agency set up to challenge negative attitudes to ageing and to promote greater participation by older people in society). Bealtaine aims to involve older people in the arts, through expression and active participation. It also encourages older people to engage as an experienced audience for all art forms.

Is scrúdú ar ár gcaidreamh le spás agus suíomh an seimineár chomh maith le bheith ina dheis le comhionad cónaithe roinnte. Níos mó na fóntaíoch – áit ab ansa leat dul. Ní hé atá mar aidhm ag an dá lá filleadh ar an obair agus polasaí a chruthú, ach filleadh le smaoineamh soiléir an duine ar an méid is féidir leis a athrú.

Tosaíonn an tionscadal, bunaithe ar thaighde i gContae Mhaigh Eo, i gcomhoibriú le hOifig Ealaíon Chomhairle Chontae Mhaigh Eo agus The Inspiration Station, i gcaitheamh mhí Márta le dianchomhairliú agus le hobair chruthaitheach.

ENVISAGE – new imaginings for collective residential spaces .
Lough Lannagh Village, Wednesday 6th and Thursday 7th May .

ENVISAGE is a Bealtaine-initiated collaboration happening over two days in May, where a group of invited artists/ writers/ architects/ thinkers/ retirees/ planners gather together to imagine…..

The seminar is a collective exploration of our relationship with space and place and an opportunity to imagine an ideal collective residential space. Beyond utilitarian – a place you'd actually like to go. The aim of the two days is not to return to work and create policy, the intention is to return with a clear idea of what each individual can change.

Based on research in County Mayo, in collaboration with Mayo County Council Arts Office and The Inspiration Station, the project begins in March with extensive consultation and creative work.

The ENVISAGE event will take place in Lough Lannagh, Castlebar.

Déanfaidh Pat Walsh, údar & leabharlannaí, cur síos ar a leabhar nua-fhoilsithe *The Curious Case of the Mayo Librarian*
Leabharlann Bhaile an Róba, Dé hAoine 15 Bealtaine ag a 8.00i.n.

Post Leabharlannaí an Chontae i Maigh Eo ba chúis le díospóireacht teasaí náisiúnta faoi ról na heaglaise agus an stáit agus a raibh díothú na Comhairle Contae mar thoradh air sa deireadh i 1930. Beagnach 80 bliain ina dhiaidh sin déanfar athinsint, tráthúil go leor i Leabharlann an Chontae, ar scéal leabharlannaí Mhaigh Eo a raibh dalladh clampair dá bharr ann ag an am.

Tuige gurbh fhéidir le ceapachán míchonspóideach, mar a shíl daoine ag an am, mar seo an rialtas a dhíothú beagnach agus an eaglais agus an stát a chur in adharca a chéile chomh mór sin? Arbh é ba chúis leis an bhfadhb ná go raibh Letitia ina Protastúnach agus ina céimí ar Ollscoil na Tríonóide agus dá bhrí sin nach raibh daoine den bharúil go raibh sí feiliúnach do phost poiblí i gcontae mór Caitliceach nó an raibh cúiseanna eile taobh thiar den scéal? Déanfaidh an t-údar Pat Walsh an iarracht an cheist seo a réiteach ina leabhar nuafhoilsithe *The Curious Case of the Mayo Librarian.*

MAYO COUNTY COUNCIL LIBRARY SERVICE

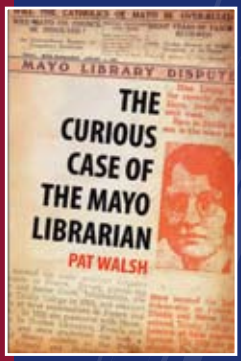
Talks & Readings Programme:



Author & Librarian Pat Walsh will discuss his recently published book *The Curious Case of the Mayo Librarian*
Ballinrobe Library, Friday 15th May at 8.00pm

In 1930 the post of County Librarian in Mayo caused the abolition of the County Council and created a heated national debate about the role of church and state. Almost 80 years later the story of the Mayo librarian who caused all the furore will be told once again.

Why would such a seemingly uncontroversial appointment drive a government to the brink and set church and state against each other so heavily? Was it because Letitia was a Protestant and a Trinity graduate, and thus considered unsuitable for a public post in a large Catholic county or was it a combination of other factors? The author of a new book on the subject Pat Walsh will attempt to answer this question as he tells the story of *The Curious Case of the Mayo Librarian.*
