This grant shall be paid directly to the college/institution by the Local Authority.

Where a candidate qualifies for a maintenance grant and is pursuing an approved course at postgraduate level the Local Authority shall award a grant in respect of the student services charge of up to €25 provided the charge and the tuition fee does not exceed the maximum fee limit. This grant shall be paid directly to the college/institution by the Local Authority.

5.5 Field Trips

5.5.1 Compulsory field trips may be funded for eligible grant-holders provided the tuition fee, student services charge and the cost of the field trip does not exceed the maximum fee limit.

- 6.1** Where a Local Authority offers a candidate a grant under this Scheme, the candidate shall confirm to the Local Authority the title of the course s/he proposes to follow within such period after notification of the offer of a grant as the Local Authority may stipulate.
- 6.2** Where a candidate is offered a grant under this Scheme, but does not pursue an approved course in the 2008/09 academic year, the offer of a grant shall be deemed to have lapsed.

CLAUSE 7: TENURE OF GRANTS

- 7.1** A grant awarded under this Scheme shall be provisional for the 2008/09 academic year and shall not be continued in any subsequent academic year, unless the Local Authority is satisfied that the provisions of this Scheme continue to be complied with fully.
- 7.2** A grant is tenable for the normal duration of the approved course and is renewable annually subject to satisfactory attainment and the approval of the Local Authority, subject to the terms of Clause 7.6. Grants may not be paid in respect of a repeat year of study on the same course. A Local Authority shall have discretion to waive this provision in exceptional circumstances, such as certified serious illness.
- 7.3** Where grant-holders, as part of their approved course, are required to attend foreign university courses for a period of up to one year, a maintenance grant may continue to be paid where the period abroad does not affect the normal duration of the approved course.
- 7.4** Grants awarded under this Scheme shall be tenable only in respect of attendance at approved courses.
- 7.5** A grant under this Scheme shall not be tenable in respect of a course, or part of a course, to which the Third Level Maintenance Grants Scheme for Trainees, 2008 applies.
- 7.6** Apart from the special provisions for second chance students in Clause 3.3, candidates who have previously pursued an undergraduate course approved for the purposes of the Higher Education Grants Scheme, the Vocational Education Committees' Scholarship Scheme or the Third Level Maintenance Grants Scheme for Trainees (formerly ESF Scheme) shall not receive a grant under this Scheme until they have completed an equivalent period of study at undergraduate level, irrespective of whether or not a grant was paid previously. A Local Authority shall have discretion

to waive this provision in exceptional circumstances, such as certified serious illness. Grants shall not be paid to candidates who already hold a Level 8 (Honours Bachelor Degree qualification or equivalent qualification) and are pursuing a second such qualification. However, notwithstanding this condition the following candidates may be deemed eligible for grant aid:

- (i) Candidates who already hold a Level 6 qualification (Higher Certificate or National Certificate) or Level 7 (Ordinary Bachelor Degree or National Diploma) and are progressing to a Level 8 (Honours Bachelor Degree) course, without necessarily having received an exemption from the normal duration of the course;
- (ii) Candidates who have satisfactorily completed two years of a Level 7 (Ordinary Bachelor Degree or National Diploma) course, and gain admission through exemption, to year two of a Level 8 (Honours Bachelor Degree) course.

7.7 Candidates who have previously pursued a postgraduate course approved for the purposes of the Higher Education Grants Scheme or the Vocational Education Committees' Scholarship Scheme shall not receive a grant under this Scheme until they have completed an equivalent period of study at postgraduate level irrespective of whether or not a grant was paid previously. A Local Authority shall have discretion to waive this provision in exceptional circumstances, such as certified serious illness. Grants shall not be paid to candidates who already hold a postgraduate qualification and are pursuing a second postgraduate qualification. However, notwithstanding this condition candidates who:

- (iv) on completion of a one year post-graduate course which has not led to the conferral of a qualification, gain admittance to the second year of a post-graduate course;
OR
- (ii) already hold a postgraduate qualification and are progressing to a further postgraduate course which represents progression may be deemed eligible for grant aid.

For the purposes of this clause postgraduate qualifications at Level 8 are deemed to be progression.

Grant aid for postgraduate students shall be limited to a maximum of four years.

- 7.8** A grant-holder who, during the course of his/her studies, wishes to change course or faculty or defer his/her grant must obtain the prior approval of the Local Authority.

CLAUSE 8: CHANGE IN CIRCUMSTANCES

- 8.3** Where an adverse change in the reckonable income occurs awards or adjustments in cases assessed under this clause shall normally be made with effect from the college term in which the change in circumstances occurs.

- 8.4** Where a positive change in reckonable income occurs during an academic year, any grant awarded shall continue to be paid until the end of that academic year. However such grant-holders shall be re-assessed before the grant is renewed for the following academic year.

- 8.5 The amount of the lecture fee, student services charge and maintenance elements of the grant payable in respect of a college term shall be one-third of the annual rate.
