In today's readings we are told that Christians who have the Beatitudes as their rule of life become the salt of the earth and the light of the world. We should recognise the dignity that is ours as we share in the work of Christ. Like him we are to lead all people to praise the wonderful deeds of God. A spirit filled community can bring about a new world.

Pastoral visits to the sick and housebound are an important part of parish life. Anyone who would like to receive a pastoral visit by Fr. Chris to receive the Sacraments again needs to contact the Priest by phone or email & make the necessary arrangements.

Drawings & Plans for the new Community Centre are still on display in St. Aidan's – pop in anytime your passing to view what is planned for the future of Islandeady.

Please remember in prayer all from the Parish who are in hospital at this time of year, those waiting for test results, those waiting for operations & procedures. Remember those in Nursing Homes or living alone in their own homes and all those who selflessly care for them.
