International school feeding charity, Mary's Meals, have announced that they are now feeding more than **2 million children every school day**, in 19 of the poorest countries around the world. To celebrate this wonderful achievement, Mary's Meals Ireland is hoping to raise enough funds to feed **ALL** of the children, for one day. It **costs just 9c** to provide a nourishing meal in school, and so, a little goes a long way. To find out more, or to donate, please visit their website www.marysmeals.ie, or call Patricia Friel 086 314 0814.

Prayer for the Earth

All powerful God, you are present in the whole universe and in the smallest of your creatures. You embrace with your tenderness all that exists. Pour out upon us the power of your love, that we may protect life and beauty. Fill us with peace, that we may live as brothers and sisters, harming no one. O God of the poor, help us to rescue the abandoned and forgotten of this earth, so precious in your eyes. Touch the hearts of those who look only to gain at the expense of the poor and the earth. Teach us to discover the worth of each thing, to recognise that we are profoundly united with every creature as we journey towards your infinite light. We thank you for being with us each day. Encourage us, we pray, in our struggle for justice, love and peace. Amen.

God gave you a fingerprint that no one else has, so you can leave an imprint that no one else can.
