**Please share a short description of the Initiative**

*This description is how you would describe your idea to a child or parents deciding which event to attend on the Cruinniú na nÓg website. So upbeat and clear language is the key! There will be the opportunity through the required documents to share more details so this description should not exceed 300 words. If your event will not be open to the general public that is ok just add a line explaining who can join e.g. parents and friends or members of the group.*
