***To Daffodils***

Fair daffodils, we weep to see  
You haste away so soon:  
As yet the easy-rising sun  
Has not attained his noon.  
Stay, stay,  
Until the hasting day has run  
But to the evensong;  
And, having prayed together, we  
Will go with you along  
We have as short time to stay as you;  
We have as short a spring;  
As quick a growth to meet decay,  
As you or anything  
We die,  
As your hours do, and dry  
Away  
Like to the summer's rain;  
Or as pearls of morning's dew,  
Ne're to be found again

***Spiritual Thought***

*At the end of the day what really matters is  
that your loved ones are well,  
you've done your best and  
that you're thankful for all you have*
