Day for Life Message – Caring for the Older Person

The whole of society must hasten to take care of its elderly – they are its treasure! – *Pope Francis*

"Do not cast me off in the time of old age; forsake me not when my strength is spent." Psalm 71:9

The COVID pandemic highlighted the desperate plight of many older people, especially those in care homes and those struggling with long-term chronic conditions such as dementia. They carried the highest burden which included prolonged isolation, the distress for families being unable to visit, delayed medical interventions and tragic, isolated deaths followed by shortened, minimal funeral rites. Many family members and friends continue to bear the wound of deep grief which hurts and is still in need of healing.

We encourage people to learn from a closer accompaniment of the elderly, that there is a real richness in the journey through old age, which offers a deeper meaning and a new rhythm to the whole of life; something which can be celebrated and lived with hope in eternal life.

Saint Joachim and Saint Anne, pray for us.
