CHURCH ATTENDANCE: Numbers allowed to attend Mass (including funerals) is now 50% of church capacity. Standing at the back of the church is not permitted under the guidelines. Every second seat is now closed off and people can choose their own place to sit. It is important that some distance is kept between you and another individual or family. Use your judgement. A small number of stewards will be present at the door to ensure that everyone sanitizes and that all adults wear face masks. Communion will take place in all churches during the Mass and guidance will be given on this. As you leave the church after Mass you are asked not to congregate near the door so that others can move freely. These guidelines remain in place until October 22nd after which please God there will be no restrictions on numbers. Thank you for ongoing cooperation.
