Pope Francis said that "getting the coronavirus vaccine is an act of love"
Speaking as the head of the world's 1.2 billion Catholics and joining a campaign to boost confidence in COVID-19 shots.

"Thanks to God and to the work of many, we now have vaccines to protect us from COVID-19," "Vaccination is a simple way of promoting the common good and caring for each other, especially the most vulnerable". Francis said in his message.

Not everyone is given the chance to grow old. So appreciate and thank God for every single day of your life.

International school feeding charity, Mary's Meals, have announced that they are now feeding more than 2 million children every school day, in 19 of the poorest countries around the world. To celebrate this wonderful achievement, Mary's Meals Ireland is hoping to raise enough funds to feed ALL of the children, for one day. It costs just 9c to provide a nourishing meal in school, and so, a little goes a long way. To find out more, or to donate, please visit their website www.marysmeals.ie, or call Patricia Friel 086 314 0814.

IF YOU ARE STRUGGLING TODAY, REMEMBER THIS:

You have survived everything you've gone through up to this point. The best day of your life is still yet to come. There are still people you haven't met, and things you haven't experienced. YOU CAN DO THIS.
